- s) Convoy driving formation

## COURSE DURATION

Three Consecutive Full Days (24 hours).

## PARTICIPANTS

Min 10 Max 14.

## DESIGNED FOR

Participants who as part of their normal job routine are required to drive in situations where security awareness is paramount.

## PRE-REQUISITES

Current Cambodian driving licence.

## ASSESSMENT

Participants will demonstrate knowledge of the elements of competency during classroom presentations and simulation-based exercises.

Confirmation of their underpinning knowledge is also gathered through demonstrating skills during practical driving exercises and drills.

## CERTIFICATION

Upon successful completion of the course, participants will be issued with a CAM FIRESAFE certificate.

## QUALITY ASSURANCE

This course is designed using international best practice principles, which are in line with those used in countries such as Australia.

## DELIVERY METHOD

Classroom based and practical training consisting of presentations, case studies and training exercises focusing on vehicle dynamics, driver awareness and driving skills.

The course is delivered by suitably experienced and qualified trainers, who have years of hands on experience in their field.
